Not only will you want to check for spelling and grammatical errors, but you will also want to make sure that the description flows from point to point and makes sense. Create an IntroductionOnce you finish the book, you should have a few pages of notes and a good understanding of what happened, who were the protagonists and all the important points in the plot. Your teacher may want it to be at least one page or two or as many words so that you can show that you really understood what you're reading. Arrange your points in order in paragraph form. It is a unique novel in many ways, and yet, of course, its themes are universal. These characters are unique and refreshing. This is an immensely readable novel. Will is acerbic, moody, bossy, but Lou refuses to treat him with boy gloves, and soon his happiness means more to her than she expected. All that took away her confidence, but she remained strong and was so positive about her life. My review: When I first saw the movie, I was saying to myself, maybe I don't need to buy the book. So, Will said it wasn't enough. If you didn't create a scheme before, now is the time to do it. I turned to the first page and oh boy, all the sensations actually came crawling along.
